

ALGI

The image features the word "ALGI" in a large, bold, sans-serif font. The letters are filled with a semi-transparent blue color, and the background of the entire graphic is a lush green forest with a hazy, blue-tinted sky in the distance. The letters are spaced out across the width of the image.

# ALGI

## A living wall for the future

**20%**

of operational  
expenses

**80%**

of life spent indoors with  
poor air quality

**10%**

of global greenhouse  
gas emissions

# ALGI

A living wall for the new and evolving world

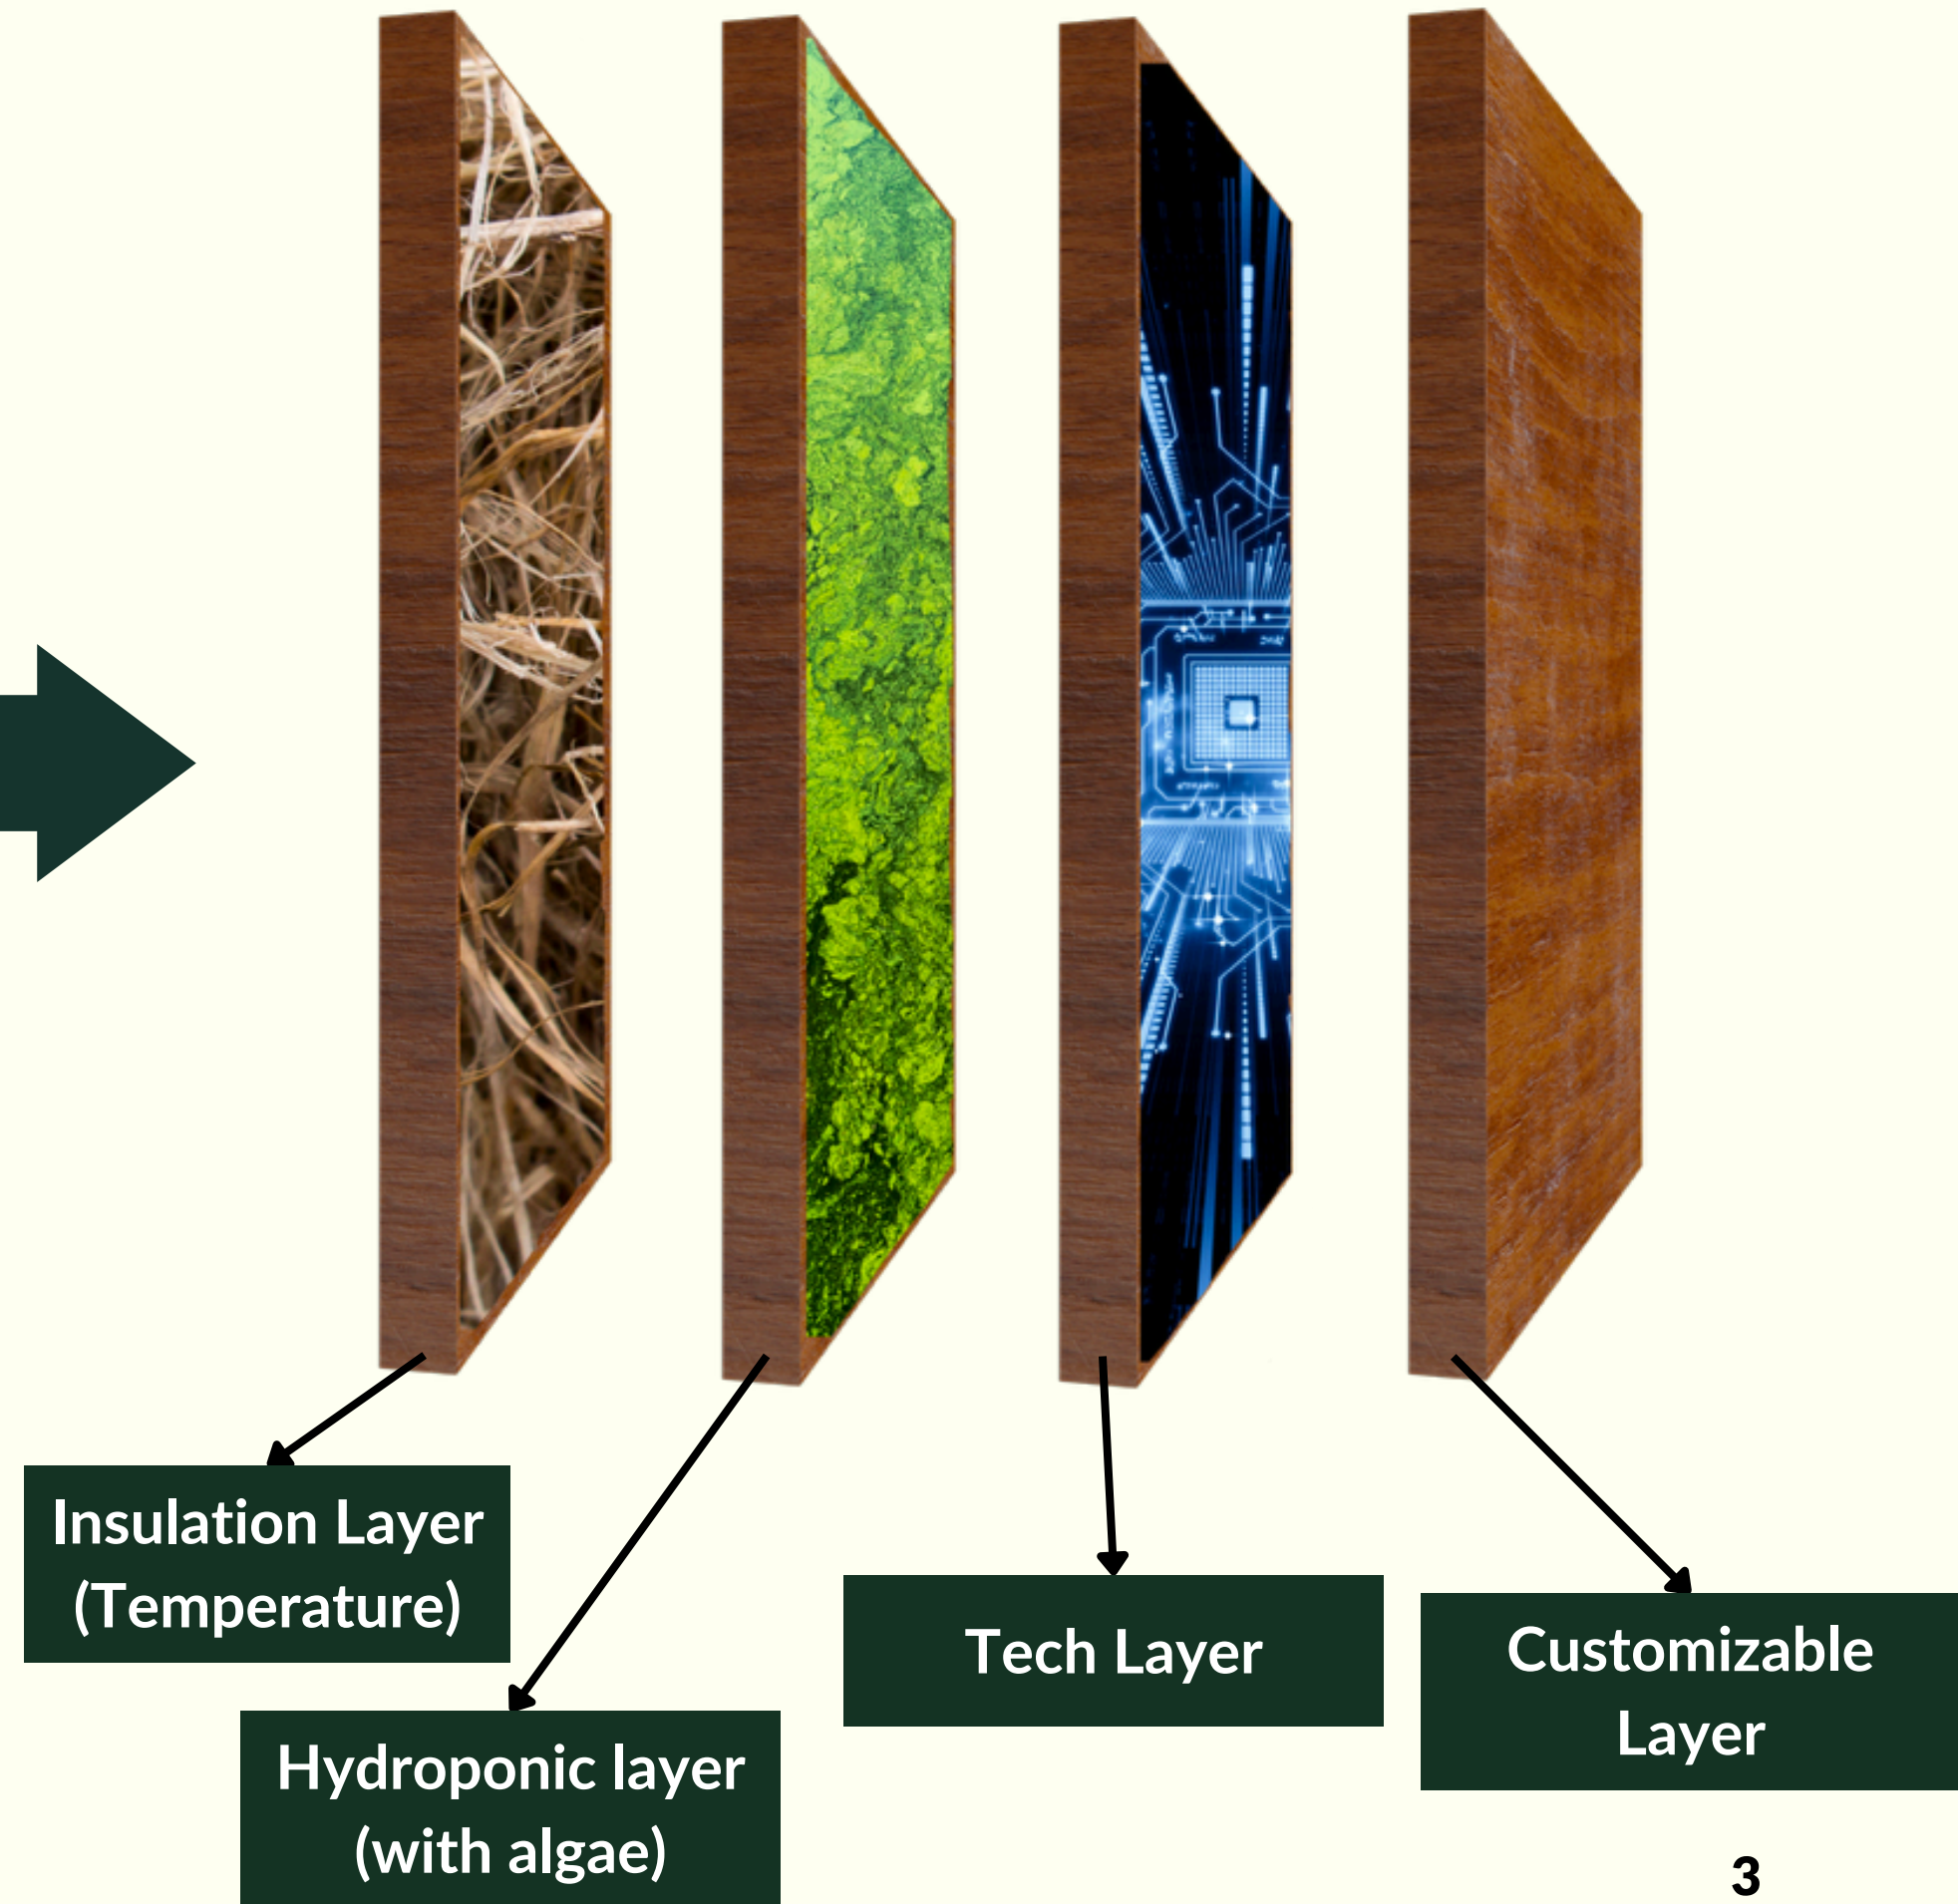

Algi is energy efficient

Algi can generate as much oxygen as 1000 trees in a day

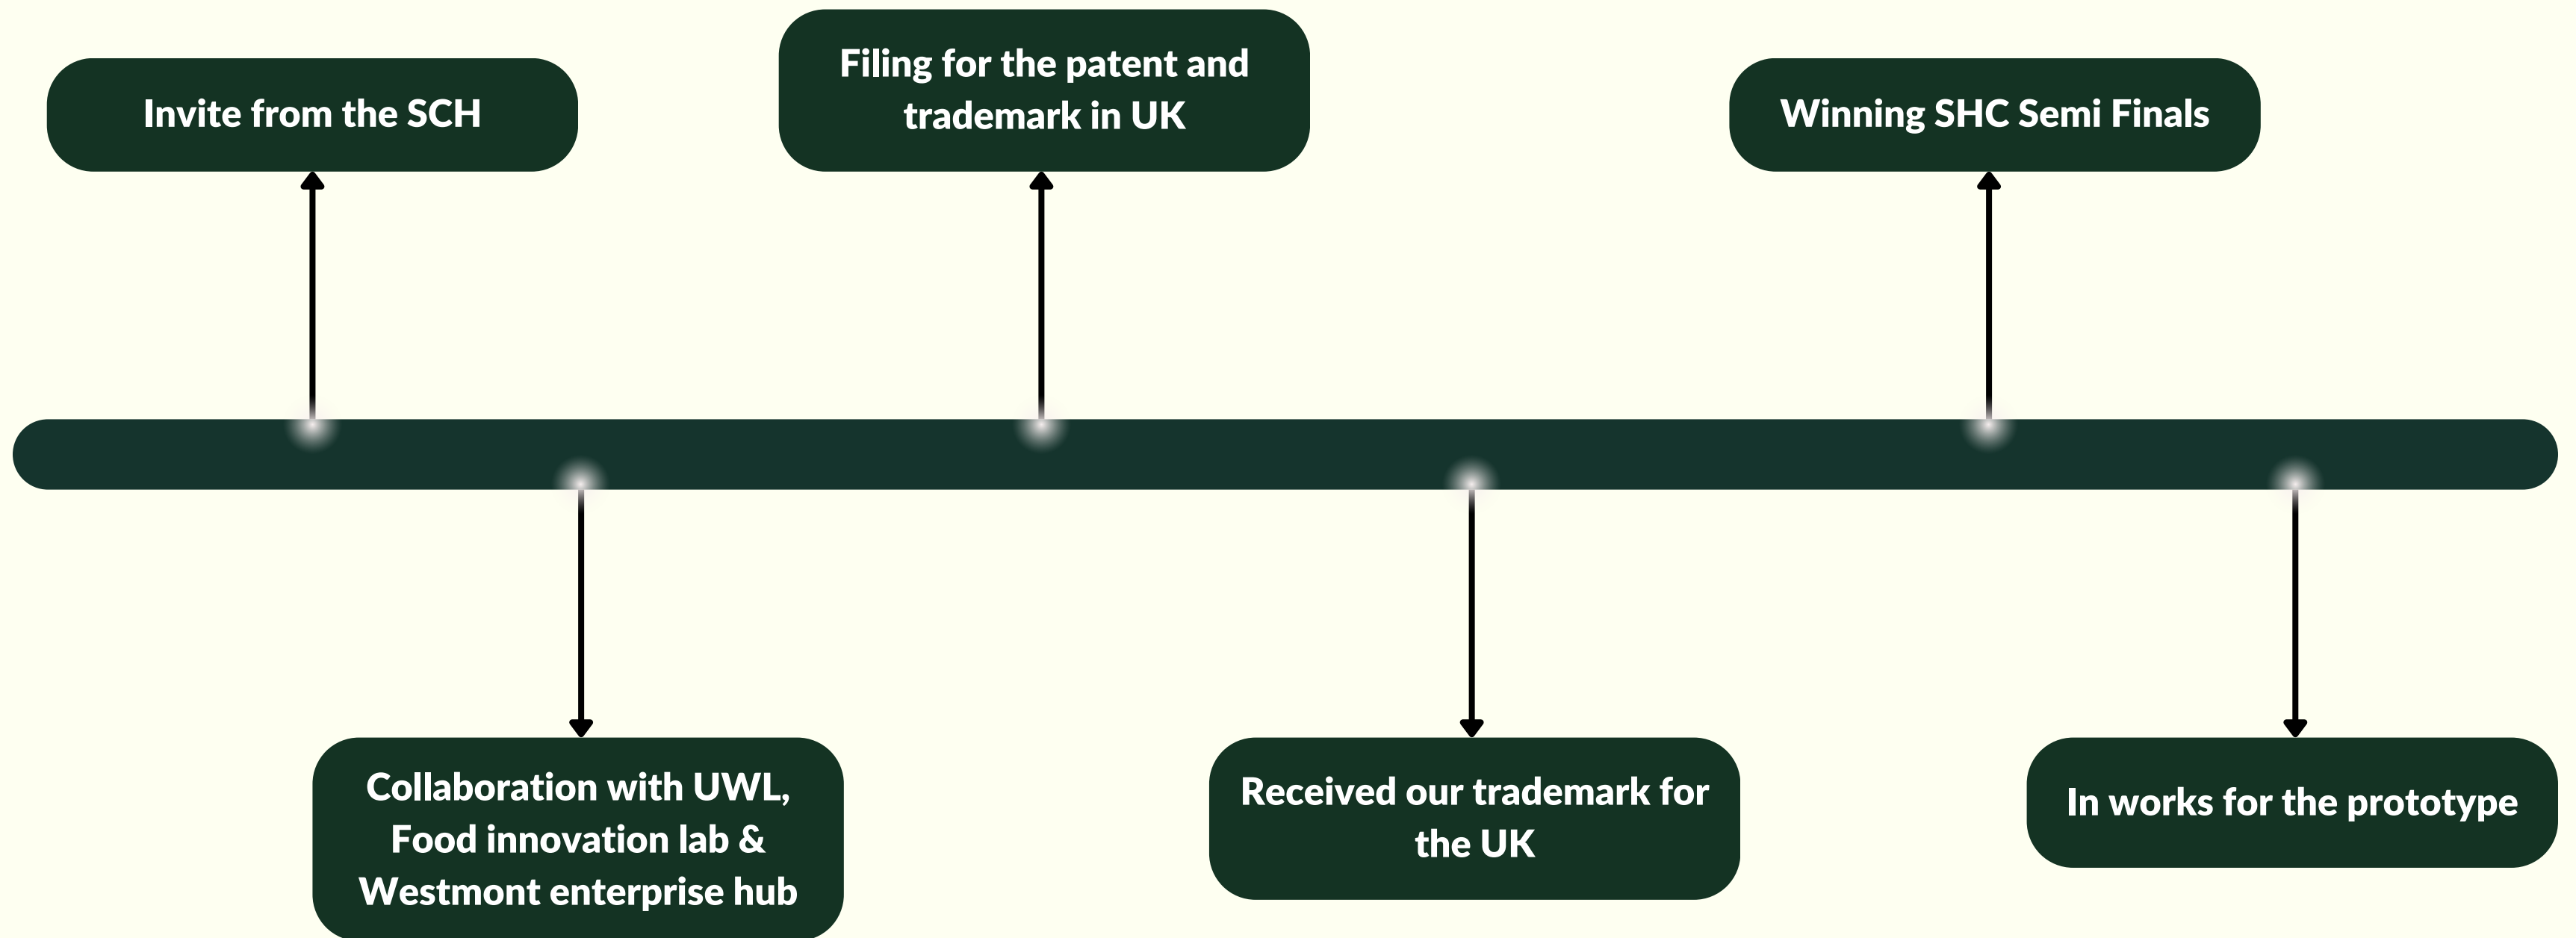

It is easily repairable

It is 100% sustainable
